

SPREAD THE WORD!

THE ASSOCIATION OF FLIGHT ATTENDANTS, COUNCIL 66 (CWA, AFL-CIO) NEEDS YOUR PARTICIPATION AT OUR RALLY & PICKET EVENT ON WEDNESDAY, APRIL 28, 2010. THIS IS AN IMPORTANT & CRUCIAL DATE FOR THIS DEMONSTRATION, AS IT COINCIDES WITH US AIRWAYS' ANNUAL MEDIA DAY EVENT. MEDIA FROM AROUND THE COUNTRY WILL BE PRESENT, AND WE NEED OUR MESSAGE TO BE HEARD LOUD AND CLEAR!

IT IS TIME TO VOICE OUR FRUSTRATION!

- In 1999, America West Flight Attendants signed a 5-year contract now in its 11th year. Since then, the cost of living has gone up dramatically, resulting in erosion of income for our Flight Attendants.
- West Flight Attendants wages are frozen, while East Flight Attendants have enjoyed restored wages and benefits.
- Management claims we are one company, but West Flight Attendants live under lower wage & benefit standards than East co-workers.
- The cost of this incomplete merger has been born on the backs of the West Flight Attendants; yet management touts another merger indefinitely delaying necessary economic relief.
 - Management has refused wage pay parity for West Flight Attendants.
- Some Phoenix-based Flight Attendants have gone to the extreme measure of selling their plasma simply to pay for necessary living expenses.
- Management is aware that some must utilize a food pantry maintained by our Union. They have donated food for the pantry; yet refuse to establish a wage that would allow us to feed ourselves.

THIS BLATANT DISPARITY AFFECTS NOT JUST 2,200 FLIGHT ATTENDANTS, BUT 2,200 FAMILIES IN OUR COMMUNITY!!!
